Navigate through Studentportal

The screenshot shows the Student portal interface. At the top, there is a dark blue header with a hamburger menu icon, the text "Student portal", a notification bell icon, a "PS" profile icon, and a vertical ellipsis menu icon. Below the header, the main content area is divided into several sections. On the left, there is a vertical navigation menu with a purple background and white text: "Plan your study", "Enroll for your courses", "View the enrollment status", and "View status". The main content area features a card for "Bachelor Psychologie | 2023 - 2024" with the status "You are enrolled" and a message: "We are processing your enrollment, this might take some time." Below this message is a blue "View status" button. To the right of the main content is a "Quick links" sidebar with a list of links: "MyStudymap", "MyTimetable", "Messages", "Study results", "Enrollments", "Confirm participation exams", and "Help and contact". A vertical "HELP" button is located on the right side of the dashboard. At the bottom, there is a section titled "Your study results" with a table header: "Registration date", "Course", and "Result".

Bachelor Project

NEED TO KNOW YEAR 1

- First-year students are registered for all courses and examinations by the Student Services Centre (SSC). (If a re-sit examination is necessary first year students must [register](#) themselves.) The study schedule is fixed, which means that changes, such as changing work group sections, are not possible.
- At the end of Year 1 you need a positive binding study advice (BSA) to proceed to Year 2. For more information, see the [Binding Study advice \(BSA\)](#) tab.
- Your academic progress in Year 1 influences the choices you can make in Semester II of Year 2 and the duration of your studies:
 - ✓ The completed propedeuse (60EC of Year 1) is the entry requirement for the 10 EC specialisation courses. This 60EC must be listed in uSis before the registration deadline for the specialisation course.
 - ✓ Elective courses have entry requirements that must and listed in uSis before the registration deadline. The entry requirements can be found in the [Prospectus](#) page of the relevant course.
